Summary

I am an aspiring Data Analyst with a strong foundation in data visualization, analysis, and business intelligence. Skilled in tools such as Power BI, Tableau, and SQL, I have gained hands-on experience through impactful internship projects that leverage data storytelling to drive decision-making. My goal is to utilize my analytical skills to contribute to data-driven solutions and insights.

Experience

YBI Foundation	Remote
Data Science Internship	05/2024 - 06/2024
A remote internship organization focused on data-driven projects.	
<ul style="list-style-type: none">Assisted in data collection, preprocessing, and machine learning model implementation.Performed exploratory data analysis (EDA) to extract insights from large datasets.Collaborated with the team to improve data-driven decision-making.	

Education

Karunya Institute Of Technology And Sciences (Deemed To Be University)	Coimbatore
B.Tech in Artificial Intelligence and Data Science	08/2023 - 05/2027

Skills

Data Analysis & Databases : Data Analysis, Data Modeling, Data Understanding, MS-SQL
Data Visualization: Power BI, MS-Excel, DAX, Matplotlib, Seaborn

Projects

Sales Performance Analysis of a Pizza Chain using Power BI

- Analyzed sales performance metrics to deliver insights for a pizza chain using Power BI.

E-Commerce Sales Insights and Trends Using Power BI

- Extracted insights and trends from e-commerce data utilizing Power BI.

Data Analytics Internship Project (Accenture)

Internship project involving data analytics at Accenture.

- Conducted data analytics simulation, cleaned & analyzed datasets, and presented insights via PowerPoint & video.

Data Visualization Internship Project (TATA)

Focused on data visualization for TATA by creating user-friendly dashboards.

- Developed interactive dashboards, prepared key questions for client meetings, and simplified complex datasets.

Certificates

- Career Essentials in Data Analysis – Microsoft & LinkedIn
- Data Analytics – Accenture
- Data Visualization: Empowering Business with Effective Insights – TATA
- Power BI Fundamentals – Variablz Academy
- Data Tableau – Jobaaj Learnings
